

Evaluation of Monster Drawing Directions

On a separate piece of white, lined paper, please provide the following information:

1. The number of the drawing that you have.
2. A description of at least 2 things that you drew correctly from the original directions.
3. A description of at least 2 things that you **did not** draw correctly from the original directions.
4. Re-write the directions for the things that you **did not draw correctly** (the ones that you listed above in #3) so that the directions are more clear to you.
